SYMPOSIUM DESCRIPTION

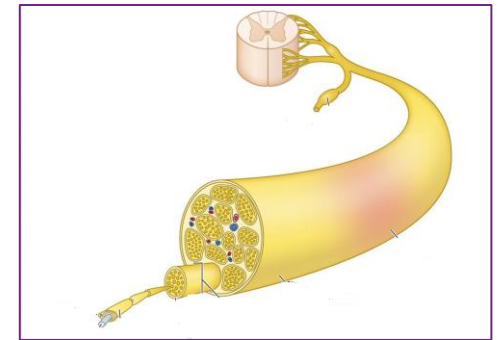

This meeting-for the first time-will bring together Canada's leading surgeons, therapists, physiatrists and neurologists with an interest and expertise in peripheral nerve problems.

The symposium will be informative, provocative and leading edge with an emphasis on discussion and interaction. Participants will learn about state of the art care of peripheral nerve conditions from including investigations, surgery, rehabilitation and therapy.

Keynote speakers from across Canada will lead the plenary presentations and question & answer sessions.

For more information and to register for the Symposium, please contact Ms Mindy Minka at Mindy.Minka@sjhc.london.on.ca or Ann Varallo at Ann.Varallo@sjhc.london.on.ca
