

## Post-Doctoral Fellowship Opportunity – Better Mobility Lab

The Better Mobility Lab at the University of Calgary invites applications for a 1-year post-doctoral fellowship with an anticipated start date of April 1, 2024. The candidate will investigate the quantitative and qualitative effects of a novel interactive video-based application for teaching walking aid skills to patients and clinicians.

The candidate must have a PhD. The ideal candidate will have experience in clinical trials and mixed-methods analyses. Proficiency in Microsoft Word, Microsoft Excel, statistical software, and referencing software is required. A strong publication record, experience with NVivo, clinical experience with walking aids, and experience investigating novel technologies would be assets.

To apply, please submit a cover letter, academic CV, and names and email addresses of 3 referees to Dr. Ranita Manocha at [ranita.manocha@ucalgary.ca](mailto:ranita.manocha@ucalgary.ca). The deadline for applications is March 15, 2024.

The Better Mobility Lab respects, appreciates, and encourages diversity. We welcome applications from all qualified individuals. Should you require a copy of this posting in an alternate format, please contact us as soon as possible and we would be happy to get one to you in a timely manner. We would be pleased to discuss and/or provide specific tools, resources or other requirements for day-to-day work, as needed.
